In Figs. 4, and 10-13 the cutaway sections have been changed to refer to the respective corresponding figures and the letters and ratios have been eliminated.

Support for these amendments is found the specification and claims.

Allowable Subject Matter

Applicants thank the Examiner for indicating that claims 1-20 contain allowable subject matter and would be allowable if the minor, formal matters outlined in the Office Action are corrected.

Objections to the Drawings

The Examiner objected to the drawings as failing to comply with 37 CFR 1.84(h)(3) because the ends of the broken lines were designated as letters rather than numbers or Roman Numerals and there were "stray marks" on the drawings. Enclosed are replacement Figs. 1-14 that have the required corrections. Applicants respectfully request entry and reconsideration of the enclosed drawings.

Claim Rejections – 35 U.S.C. § 112, Second Paragraph

The Examiner rejected claims 1-20 under § 112, Second Paragraph as being indefinite for failing to particularly point out and distinctly claim the subject matter
